DESIGNED IN NORWAY

Experience Scandinavian passion

As a Norwegian-based company part of the Ekorner ASA Group, we are proud of our Norwegian heritage and roots. IMG (Internasjonal Møbel Gruppe) is located in Sykklev, Norway – a place filled with scenes of natural beauty.

Scandinavian design is at the heart of our productive vision, and we aim to produce furniture in which beauty is not only a clear feature, but a true benefit to you. Because we believe that truly outstanding furniture combines both stunning aesthetics and quality comfort in perfect harmony.

Lift Chair

With our Lift and Multi-function Relaxers, receive added support and convenience with a variety of excellent functions. Helping you to tailor your comfort needs more specifically, these Relaxers will allow you to achieve your perfect relaxation zone, providing comfort where you need it most.

Power

Power offers a motorised recline and integrated footrest.

Motorised recline and integrated footrest

Power S

Upgrade your Power Lift relaxer to include a powered headrest and lumbar support on top of the standard Power functions.

Dual Motor Control with Power+

Quality built to last

- 1 Injection moulded Cold-Cured foam ensures ergonomically correct seating posture and enhanced support that lasts
- 2 Adjustable head and neck support gives you the ultimate comfort in all seating positions
- 3 Effortless deep recline
- 4 Steel springs located throughout the back and seat provide optimum support whilst cradling the body
- 5 A steel and hardwood frame provides durability and strength
